RE: Docket No. 2005-254-E Petition for Hearing and Review Relating to Special  
Purpose Districts' Right to Municipal Power Rate.

Dear Mr. Terreni:

This letter is written in response to the above-referenced proceeding. South Carolina Electric and Gas Company ("SCE&G") currently has in its rate structure both Municipal Power and Lighting rates. Should the Commission decide to act on the Petition filed by Ms. Davis, SCE&G requests that it be allowed to participate in such a hearing as it has interests that may be affected by any determinations made therein.

Thank you in advance for your cooperation.

With kind regards,

Patricia Banks Morrison
